

# FRONT END DEVELOPER

## PERSONAL PROFILE

I am an Junior Front End developer with holistic knowledge of web development. I am a motivated and hard-working individual who is always looking for new challenges. I'm excited to learn and grow as a developer, and I am confident that I can be a valuable asset. I always follow technological trends and update my knowledge.

Dear HR, I'm ready to a complicated interview and I hope you give me that opportunity to show my capabilities.

## WORK EXPERIENCE

My first real project I've done during my JS course .This is my repository

<https://github.com/GurgenBayramyan/DreamFlowers>

I've done this website's front end part.
